By Talya Modlin

1904

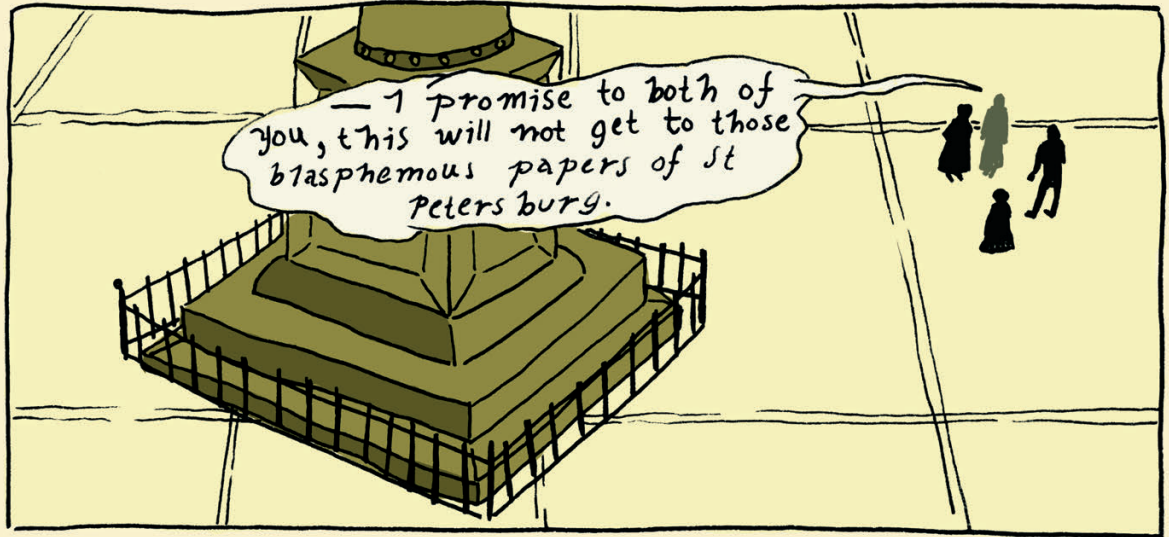

Good morning
Your majestys!

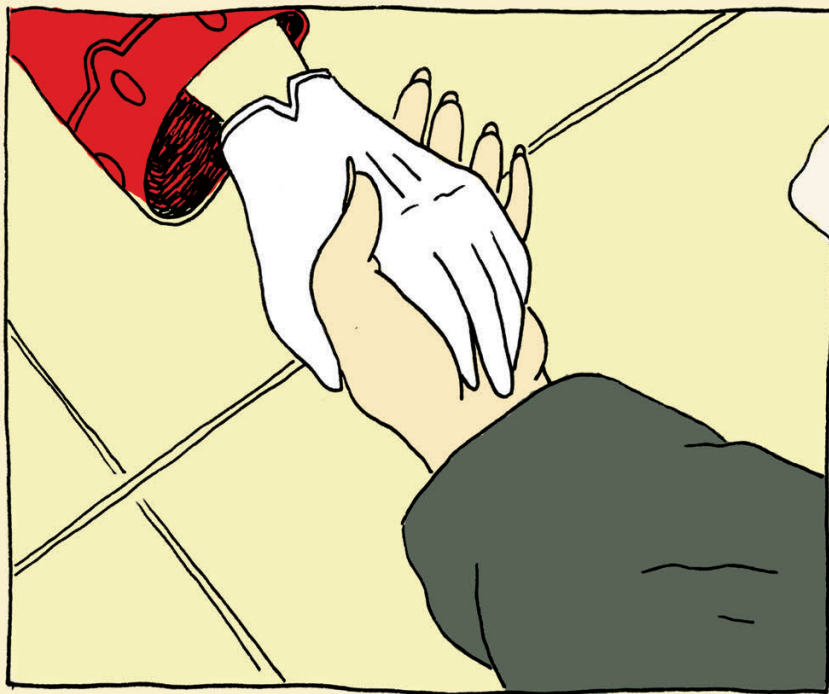

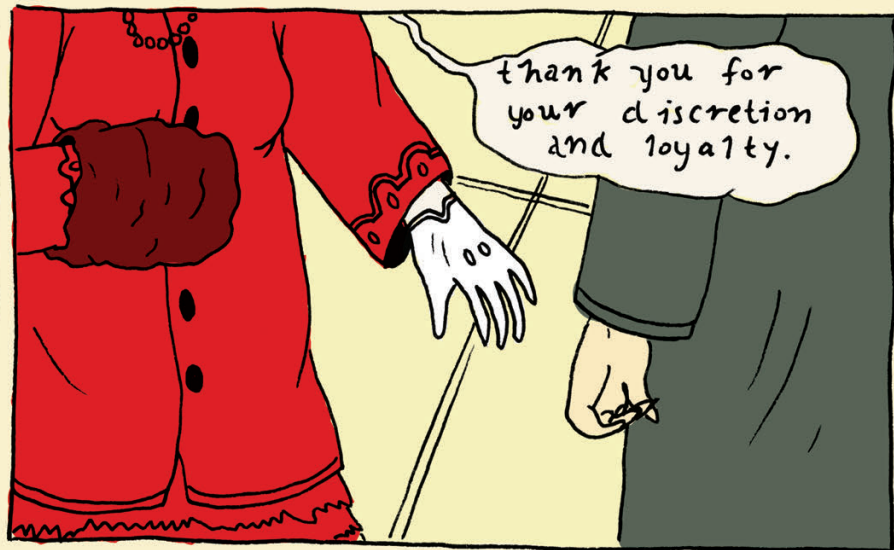

good morning
to you milica.

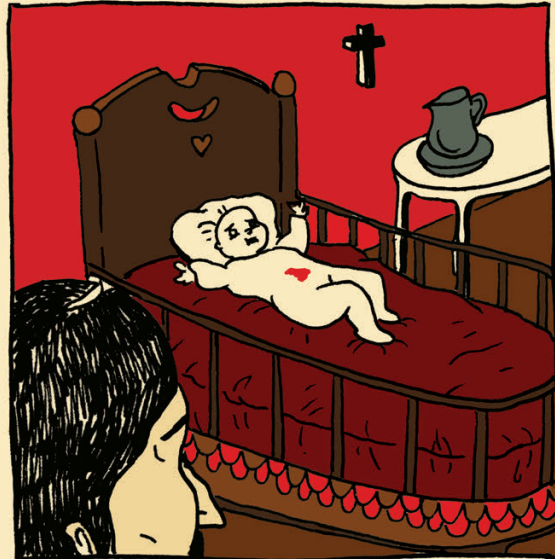

This is
Grigori Rasputin
I've already
informed him
about —

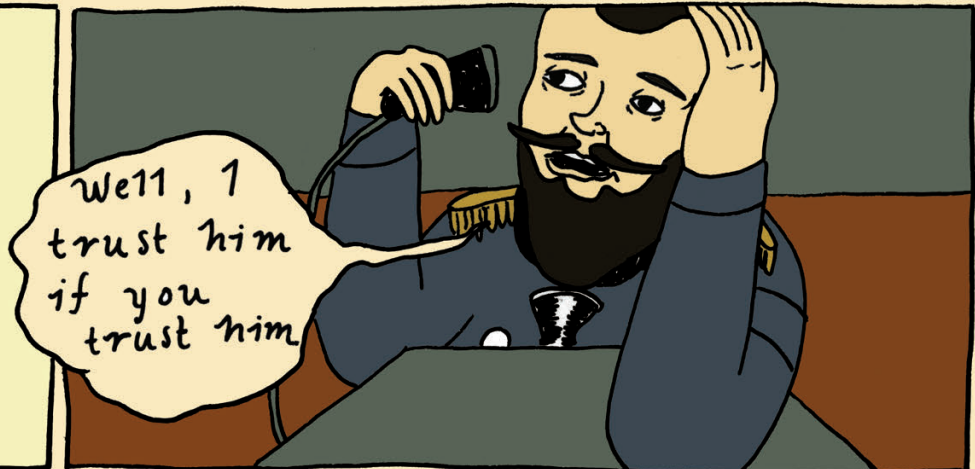

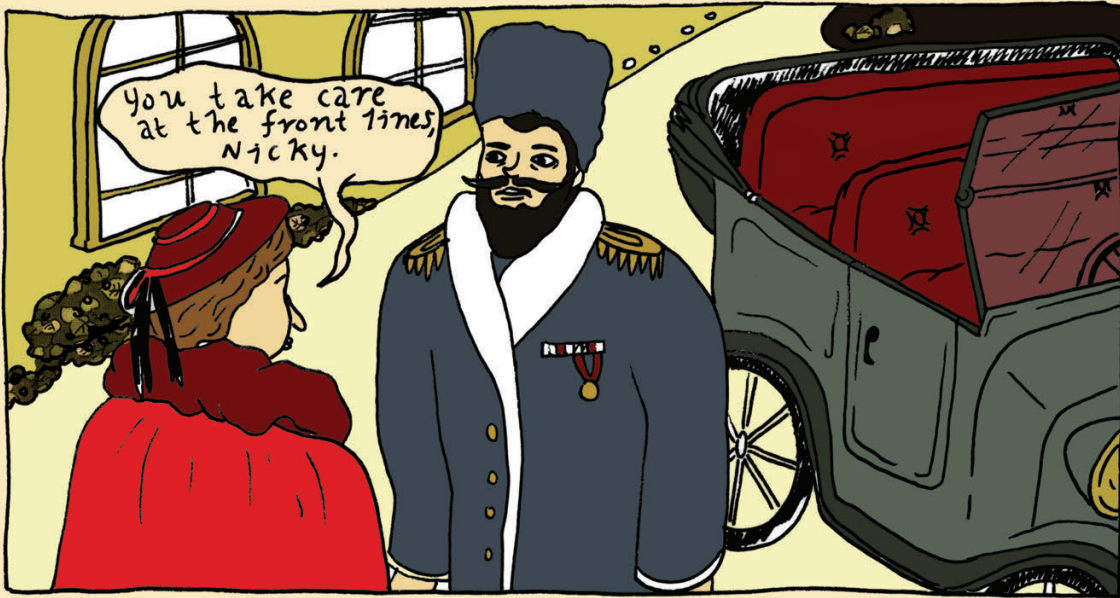

— I promise to both of
you, this will not get to those
blasphemous papers of St
Peters burg.

1916

Prince Felix Yusupov meets with Vladimir Pureshkevich about a plan...

You have that right. There aren't many one can rely on these days...

It's CORRUPTION out of every orifice! He is preying on the poor empress's power. I'm sure of it!

This is why we should take it upon ourselves to fight the situation. If you understand...

I do. But, who would be crazy enough to commit such crazy move against the craziest man in the empire?

He stands before you, Vlad, good sir.

I have a plan to rid him from this country and mere existence once and for all...

please, you
have to promise
to not tell a
soul.

I ache, I suffer
from an ailment.
I fear it will
be the end
of me.

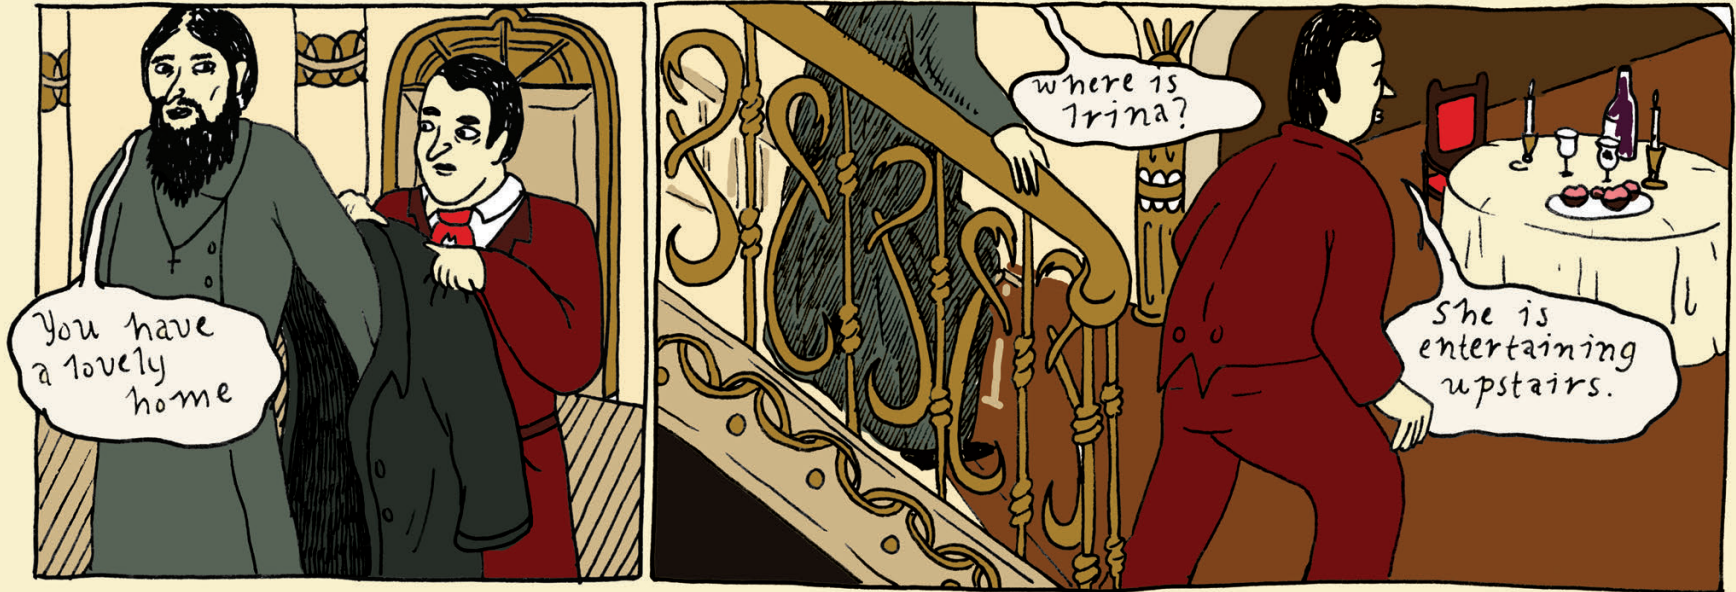

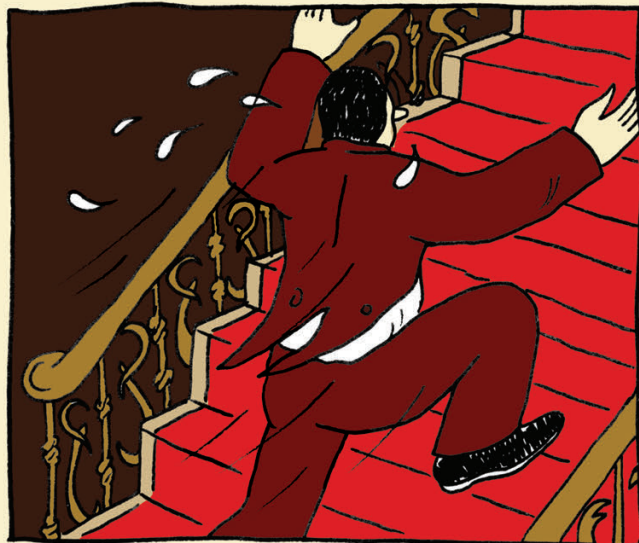

I'm seeking your
expertise to be cured
so I can move on
with my life.

Surely, my prince,
let us meet at my
place and we
can begin the
healing process.

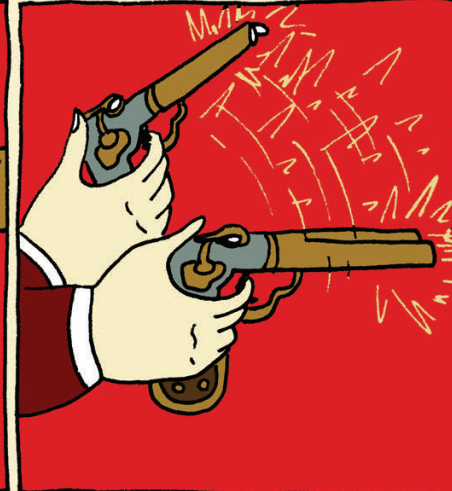

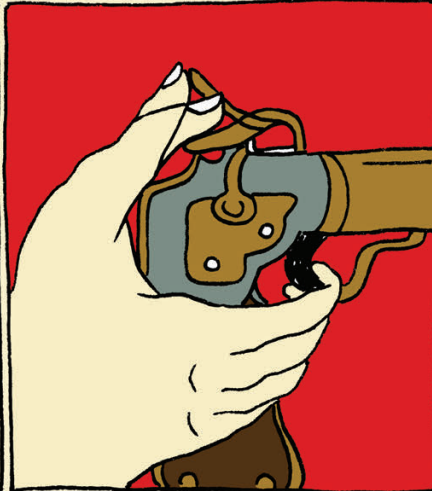

at Moika Palace December 29th, 1916

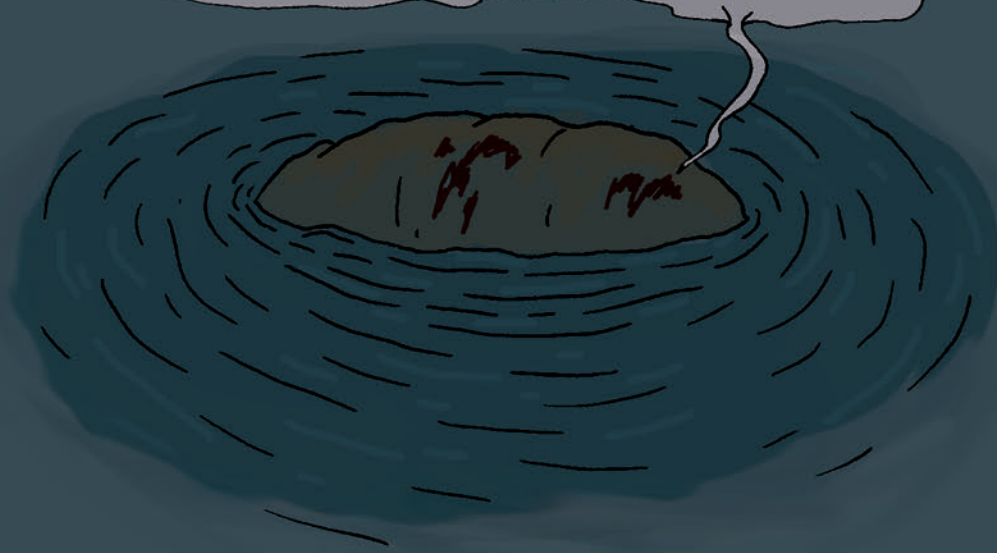

He must not
leave here alive.
finish him,
Felix.

"When the bell tolls three times,
it will announce that I have been
killed. If I am killed by common
men, you and your children will rule
Russia for centuries to come; if I am
killed by one of your stock, your family
will be killed by the Russian people!
Pray Tsar of Russia. Pray."
